

EMBLEM Eyepress Eternity manual eyepress

EMBLEM Eyepress Eternity is a powerful, portable and manual eyelet press to eye banners, textiles and signs made of different materials. The machine offers the optimal possibility to make holes and fasten eyelets at the same time. The very stable shell shape of the machine is designed in such a way that it can withstand maximum force. At minimum pressure, which makes the operation exceptional, makes it easy and allows the user to punch holes and eyelets even on the hardest materials.

The machine can be optionally equipped with eyelet tools for eyelets in the sizes 11mm, 6,35mm and 18,2mm. Available for this are EMBLEM eyelets in matching sizes. They are stainless chrome-plated metal eyelets.
